

RESEARCH GRANT (BM) (1 vacancy)

Reference: HIPERSEA/BM/2018-100

A competition is open for the attribution of 1 Research Grant in the framework of the project **HIPERSea** - Collection and Life Support in a Hyperbaric system for Deep-Sea Organisms, reference POCI-01-0247-FEDER-033889 (AAC/03/SI/2017) supported by POCI (Programa Operacional Competitividade e Internacionalização), COMPETE 2020 and Portugal 2020, according to the following conditions:

1. Scientific area: Biological Sciences and Engineer

2. Admission requirements

The candidates must hold a master's degree in the field of in Biological Sciences or Engineer
The candidate must have technical and scientific knowledge on the use of experimental systems in marine sciences.

A demonstrated experience to perform experiments with hyperbaric chambers associated with marine biology is an advantage.

Very good fluency in English is expected.

3. Work plan:

The candidate will mainly be involved in experiments of deep sea ecology/ecotoxicology and development of new hyperbaric systems for deep-sea research/maintenance of deep-sea organisms.

4. Legislation and official rules:

Law nº. 40/2004, 18th August (Research Fellowship and Studentship Regulation); Regulations for Studentships and Fellowships of the Fundação para a Ciência e a Tecnologia, I.P. and CIIMAR Grants Regulation.

5. Work place:

The work will be carried out at CIIMAR, Av. General Norton de Matos, s/n, Matosinhos, under the scientific supervision of Prof. João Coimbra and Prof. Miguel Santos.

6. Duration of the grant:

Duration of six (6) months, starting in January 2019, under the regime of exclusive dedication, eventually renewable according to legal terms up to the end of the project.

7. Monthly maintenance stipend:

The monthly maintenance allowance is €980 (nine hundred and eighty Euros – Taxe Free), in agreement with the monthly maintenance stipend table of the grants directly attributed by FCT, I.P. within the country (<http://www.fct.pt/apoios/bolsas/valores.phtml.en>).

8. Selection methods:

The ranking of candidates will be performed by a global evaluation based on the evaluation of the Curriculum Vitae (40%), experience in the research field (60%).

The evaluation process includes an interview to the top three candidates in which case has a weight of 50% and the previous assessment has a weight of 50%.

9. Composition of the jury selection:

President of the jury: Prof. João Coimbra

Vogal: Prof. Miguel Santos

Vogal: Prof. Filipe Castro

10. Form of Advertising/notification of results:

The final results of the evaluation will be published through a list sorting the candidates according to their attributed mark, on the CIIMAR website and by e-mail; in case of disagreement, the candidates have a 10-working day term in which to contest the decision, if he/she so wishes, as provided for in the Código do Procedimento Administrativo in a preliminary hearing setting. The jury reserves the right to not assign the grant depending on the quality of the applications.

11. Deadline for application and presentation of applications:

The competition is open from **9 until 22 January 2019**. The applications must be formalized, compulsorily, by sending the following documents:

- detailed Curriculum vitae
- copy of the eligibility certificates
- motivation letter
- reference contact information of current and past supervisors
- contact e-mail address and phone number
- indication of the reference of the competition (as indicated in this announcement)

The applications must be sent by e-mail to: secretariado@ciimar.up.pt.

The applications that **do not include all** the elements previously indicated will **not be considered**.
