

SELECTION REPORT

Reference: Reference: EBB/BI/PhD/2018-005

Selection of candidates for the attribution of 1 Post-Doctoral Grant in the framework of the project EBB – European Marine Biological Resource Centre Biobank with the reference EAPA_501/2016, financed by Atlantic Area Transnational Cooperation Programme 2014-2020 within the R&D Institution CIIMAR (Interdisciplinary Centre of Marine and Environmental Research).

On April 20th, 2018 by 15.00 met in CIIMAR facilities the selection jury composed of the following elements:

President of the jury- Maria do Rosário Fidalgo Martins

Vogal - José Carlos Morais Martins

Vogal - Alexandre Marnoto de Oliveira Campos

The following candidates applied for the position on the dates stipulated in the announcement: Emílio Leiton, Hugo Ribeiro, Iliona Wolfowicz, Mónica Costa, Salman Malakpoor, Sana Meftah and Vitor Ramos.

Candidates who did not satisfied the admission requirements indicated in the announcement were not considered. In this sense the candidate Sana Meftah was excluded due to lack of a PhD degree.

The candidates were evaluated by the jury according to the criteria stipulated in the announcement. The evaluation resulted in the following classifications (0 to 10) and ranking:

Candidato	Academic performance (30%)	Experience in the field of study (50%)	Motivation (20%)	Total
Vitor Ramos	3,0	4,8	1,7	9,6
Emílio Leiton	3,0	3,3	1,5	7,9
Iliona Wolfowicz	3,0	2,7	1,7	7,3
Hugo Ribeiro	2,9	2,0	1,4	6,3
Mónica Costa	2,8	1,8	1,4	6,0
Salman Malakpoor	2,7	1,8	1,3	5,9

Since the candidate Vitor Ramos obtained the highest classification and since the classification was superior to 7 values and no tie occurred between candidates with the highest classifications, it was decided to attribute the position to the candidate Vitor Ramos.

This decision shall be communicated to the candidates, giving them 10 working days within which to consult the case and submitting in writing what they consider appropriate.

There being no further subject to discuss, the meeting was closed.
