INTERNATIONAL SELECTION TENDER PROCEDURE FOR (1) ONE RESEARCHER FELLOWSHIP HIRING

Reference: **PTDC/ASP-PLA/6228/BI-2021-008**

Minute nº 2

On 29 March 2021, at 16.00h, the jury appointed for the competition for the attribution of one Researcher Fellowship of the project “Mites associated with Red Palm Weevil (RPW; *Rhynchophorus ferrugineus* O.) in Portugal and recombinant anti-RPW endophytic bacteria” supported by the Fundação para a Ciência e a Tecnologia, I.P., through national funds, met in Laboratory of Animal Pathology of CIIMAR, located at Faculty of Sciences, Biology Department, Rua do Campo Alegre, s/n, Porto. The jury was appointed by the Director of CIIMAR, Prof. Vitor Vasconcelos, and was formed by Prof.^ª M^ª João Santos, Dr. Camilo Ayra Prado and Dr. Luis Filipe Rangel. To this contest were received the following applications:

-Sérgio Filipe Carvalho Barros

- Weronika Niczporuk

The meeting began with the objective of approval of the candidates in absolute merit, based on the merit of the curricula, professional experience and attending to the requirements of the announcement. Based on this the candidates Weronika Niczporuk and Sérgio Filipe Barros were excluded, because they are not currently enrolling a PhD programme or a non-academic degree course integrated in an educational project of a developed higher education institution in association or cooperation with one or more R&D units, at the time of application.

At the end of the meeting was decided that no candidate was selected for the present application.

This decision will be communicate to candidates, granting them a period of ten days to consult the process and contest the decision in writing, in case of disagreement.

With no more other subjects to discuss, the meeting was closed and minutes were written, and approved and signed by the members of the jury.
