Reference: 2023_107_BI_IMMUNAA

A competition is open for the attribution of 1 research grant in the framework of IMMUNAA with reference PTDC/CVT-CVT/7741/2020, within the R&D Institution CIIMAR (Interdisciplinary Centre of Marine and Environmental Research), supported by FCT through national funds, according to the following conditions:

1. Scientific area: Biological Sciences

2. Admission requirements: The candidate must accomplish the following requisites:

- A BSc in the field of Biological, Biomedical or Animal Sciences, or in a related field;
- Expertise in microbiology and aquaculture.
- Autonomous in immunological techniques, bacterial culture, oxidative stress biomarkers, molecular biology and statistics.
- Candidates should speak and write English fluently.

Preferred conditions are previous experience in: analysis of samples for assessment of immune parameters, autonomous in techniques for culture and identification of bacteria, gene expression and oxidative stress biomarkers, autonomous in statistical methods.

The candidate must be able to enrol in a Master programme, integrated Master or non-degree course integrated in the educational project of a higher education institution, developed in association or cooperation with one or several R&D units, at the time of application.

Note: In the case of enrolment in courses that do not confer academic degree, the research grant can only be awarded to those who do not exceed, with the signing of the research grant contract in question, including possible renewals, an accumulated period of two years in this type of grant, consecutive or interpolated.

In the event the degree was awarded by a foreign higher education institution, said degree must comply with the provisions of Decree-Law no. 66/2018 of 16th August until the signature of the contract.

3. Work plan: The hired grantee will be responsible for fish rearing trials, samples collection and lab processing; culture and identification of pathogenic bacteria; sample processing; data processing and statistical analysis as well as report writing. The candidate will also assist on results dissemination.

4. Legislation and official rules: Law nº.40/2004, 18th August (Research Fellowship Holder Statute) in its current version; Regulations for Studentships and Fellowships of the Fundação para a Ciência e a Tecnologia, I.P. and CIIMAR Grants Regulation.

5. Work place: The work will be carried out at CIIMAR, Aquatic Animal Health team (A₂S), under the supervision of Dr. Benjamin Costas.

6. Duration of the contract: Duration of 6 months, starting in December 2023, under the regime of exclusive dedication.

7. Monthly stipend: The monthly maintenance allowance is 930,98 €, in agreement with the monthly maintenance stipend table of the grants directly attributed by FCT, I.P. within the country https://www.fct.pt/wp-content/uploads/2023/02/Tabela-de-Valores-SMM_2023.pdf, by bank transfer payment.

8. Selection methods: The selection methods to be used will be as follows: The selection will be made after the curriculum evaluation with possible recourse to an interview with the 3 first classified. The curriculum evaluation will be in accordance with the following criteria and respective valuation (in the context of an interview, criteria A and B will be evaluated):

A) Evaluation of the candidate's motivation (motivation letter) - 5%

B) Evaluation of technical and scientific experience - 70%

C) Evaluation of the academic curriculum and performance - 25%

The evaluation process may include an interview with the first three classified, which is intended exclusively to clarify aspects related to the results of their investigation, in which case the interview will have a weight of 10% and the evaluation previously carried out will weigh 90%. The jury reserves the right to not assign the position if none of the candidates meets all requirements and matches the desired profile.

9. Composition of the jury selection:

President of the jury: Dr. Benjamín Costas

Vogal: Dr. Rita Azeredo

Vogal: Dr. Marina Machado

10. Form of advertising/notification of results: The final results of the evaluation will be send through a list sorting the candidates according to their attributed mark, by e-mail and available in CIIMAR website; in case of disagreement, the candidates have a 10-working day term in which to contest the decision, if he/she so wishes, as provided for in the Código do Procedimento Administrativo in a preliminary hearing setting. The jury reserves the right to not assign the contract depending on the quality of the applications.

11. Deadline for application and presentation of applications: The competition is open from **3 until 16 November 2023**. The applications must be formalized, compulsorily, by sending the following documents:
